- ID Logistics obtained the best score amongst logistics companies in the use of technologies and pleasant working atmosphere.

Madrid, July 5th 2019

ID Logistics, international leader in contract logistics, has been recognized as the best Spanish private-logistics-company to work at. This is one of the main conclusions reached by Randstad Employer Brand Research 2019.

ID Logistics has been named the most attractive private-logistics-company to work for, reaching a rate of 61%. The reputation and awareness of ID Logistics stands above sectorial average (49%), and it highly increased over 2018 (53%).

In the general ranking, ID Logistics holds the second place behind Correos, with a difference of 3 points. ID Logistics has registered its highest growth (8%) since taking part in this ranking as finalist in 2015. The company also improved its brand awareness with a 2% growth.

ID Logistics leads the ranking in two key drivers: the use of latest technologies and pleasant working atmosphere, in which the score has been of 4 and 3.6 points out of 5 respectively. According to Randstad report, having a nice working environment is one of the four most important factors that are taken into account when deciding the company to work for. Besides, ID Logistics has been recognized as the second best logistic company attending to good reputation and giving back to society.

Javier Echenique, managing director of ID Logistics Iberia, affirms: *“This recognition evinces that ID Logistics holds a strong commitment to improve the working conditions of its employees. The success of the company lies in our workers professionalism, talent and dedication, and we will keep working to increase their satisfaction year after year”.*
