APPOINTMENT: ALESSANDRO IANNARILLI, NEW SALES DIRECTOR ID LOGISTICS FRANCE

ID Logistics, a leading group in contract logistics in France and abroad, announces the appointment of Alessandro Iannarilli as Sales Director of ID Logistics France.

With 17 years of experience in contract logistics, including 13 years at ID Logistics as Contract Manager and then R&D Director, Alessandro Iannarilli is now at the head of the new sales department at ID Logistics France. His main missions are:

- To implement ID Logistics France's commercial strategy.
- To offer potential new customers an approach that creates value.
- To support the response to calls for tenders with the R&D department, with the aim of determining the best solution adapted to each customer.
- To support the Contract Management team, in order to strengthen the commercial relationship with current customers and to identify new development opportunities with them.

Alessandro IANNARILLI, 47, holds a master's degree in engineering from the University of Bologna. He began his career in logistics in 2007 at Aexxdis (FM Logistics) as Procurement and Flow Management Manager. In 2008, he joined STEF as Project Manager "Logistics Services Departments". In 2011, he joined ID Logistics France as Contract Manager and then became Research & Development Director in 2021 with the management of the New Business and Renewal teams, for France.

"We are delighted that Alessandro has accepted this new challenge. His perfect knowledge of the Group, his charisma and his great professionalism are all assets to accelerate our commercial development, develop existing synergies and of course convince new customers"

- Eric Hémar, Chairman of the ID Logistics Group.
