## APPOINTMENT: STUART EVANS, NEW MANAGING DIRECTOR ID LOGISTICS UK

ID Logistics, a leading worldwide provider of contract logistics, announces the appointment of Stuart Evans as Managing Director of ID Logistics in the United Kingdom.

With more than 25 years' experience in the 3PL contract logistics and transport sector, Stuart Evans takes over as Managing Director of ID Logistics' UK business. The Group's objective is to develop rapidly in the fields of FMCG, e-commerce and distribution. He will develop the partnership and trust of the Group's major international customers as well as on the technical and innovation know-how that is the strength of ID Logistics.

He reports directly to Christophe Satin, Deputy Chief Executive Officer of the ID Logistics Group.

Stuart Evans began his professional career in 1997 at DSV – Global Transport and Logistics, gaining experience in commercial and operational management roles through the 2000s. He became a Site General Manager in 2017 and then continued his career as Regional Director where he managed the operations of multiple logistics sites across the United Kingdom, before joining ID Logistics as Managing Director for the UK.

*"We are pleased to welcome Stuart to the ID Logistics team and are confident that his strong experience will effectively contribute to the business development of the highly strategic market that is the United Kingdom,"*  
- Eric Hémar, Chairman of ID Logistics Group.

*"I am delighted to join the ID Logistics team and embark on a journey of growth and innovation in the contract logistics sector. I look forward to collaborating with customers and partners both in the UK and internationally and focusing on ID Logistics' core values of the highest operational standards coupled with innovation and service excellence,"* - Stuart Evans, Managing Director ID Logistics UK.

### ABOUT ID LOGISTICS:

ID Logistics, managed by Eric Hémar, is an international contract logistics group with revenues of €2.75 billion in 2023. ID Logistics manages nearly 400 sites in 18 countries, representing more than 8 million sq.m. operated in Europe, America, Asia and Africa, with 38,000 employees.

With a customer portfolio balanced between retail, e-commerce and consumer goods, ID Logistics is characterized by offers involving a high level of technology. Since its creation in 2001, the Group has developed a social and environmental approach through a number of original projects and is now firmly committed to an ambitious CSR policy. ID Logistics shares are listed on the Euronext regulated market in Paris and are included in the SBF 120 index (ISIN code: FR0010929125, Mnemo: IDL).
