ID LOGISTICS STRENGTHENS ITS UK LEADERSHIP TEAM
– SUPPORTING CONTINUED GROWTH & CUSTOMER SUCCESS –

[Jagdeep Loha, Alan Woodward & Jean-François Noel]

ID Logistics, a leading international contract logistics group, has strengthened its UK leadership team with key senior appointments to support its next stage of growth:

Jagdeep Loha (Head of IT): brings over 20 years of IT leadership experience across infrastructure, cybersecurity, and digital transformation to lead the UK technology strategy.

Alan Woodward (Head of Business Development): brings an extensive third-party logistics commercial background to expand the customer base and manage the entire sales lifecycle.

Jean-François Noel (Head of Contract Management): joins from ID Logistics France, bringing 15 years' experience to oversee customer account management and strengthen customer partnerships.

Each senior appointment brings deep expertise and proven experience at a time when ID Logistics UK is accelerating its growth ambitions and expanding its operational footprint. This momentum was recently demonstrated by the successful launch of its fourth UK site in Rugby, which was delivered following a rapid three-month process from concept to delivery. ID Logistics has established four large-scale sites in the UK in just three years.

STUART EVANS, MANAGING DIRECTOR ID LOGISTICS UK, commented "I'm pleased to welcome Jagdeep, Alan and Jean-François to the business at an important stage in our growth trajectory. Their expertise and experience will be invaluable as we continue to scale our operations across the UK. As demand for agile, customer-centric logistics
