ID LOGISTICS STRENGTHENS ITS UK NETWORK WITH THE OPENING OF A FOURTH SITE

ID Logistics UK announces the opening of its fourth logistics site in the United Kingdom, located in Rugby, Warwickshire. This new facility strengthens the Group's presence in the UK market, where it now operates more than 220,000 sqm serving e-commerce, fashion and consumer goods customers through high-performance solutions tailored to their growth ambitions.

A LARGE-SCALE E-COMMERCE LOGISTICS HUB

The site, certified BREEAM Very Good and covering more than 62,500 sqm, will be dedicated to a major global online retail player. It will rank among the largest facilities within ID Logistics UK's network and further strengthen the Group's presence in one of the country's most strategic logistics regions.

The facility has undergone a complete reconfiguration to adapt storage areas to the specific requirements of the customer. This transformation demonstrates ID Logistics UK's ability to rapidly deploy tailor-made solutions that support the growth of its partners.

Recruitment, systems deployment and equipment installation are already underway ahead of the site's operational launch, scheduled for August 2026. The facility will employ up to 300 people during peak activity periods.

This opening further strengthens ID Logistics UK's nationwide coverage and supports the continued growth of e-commerce activities across the UK market.

COMMUNIQUÉ DE PRESSE

Orgon, July 2026

A RAPIDLY EXPANDING NETWORK ACROSS THE UNITED KINGDOM

Present in the UK market since 2023, ID Logistics UK has progressively developed a multi-site network structured around e-commerce, retail and reverse logistics activities. Following Northampton, dedicated to reverse logistics for a global apparel player, and the subsequent openings in Leeds and Sittingbourne, ID Logistics UK continues to expand its footprint to support major e-commerce, fashion and consumer goods brands, including Zalando, Camper and Westwing.

With four sites located in Northampton, Leeds, Sittingbourne and Rugby, ID Logistics UK now operates more than 220,000 sqm and employs close to 2,000 people. This multi-site network strengthens customer proximity, operational responsiveness and the Group's ability to address the evolving needs of the UK market. The United Kingdom has now become one of the Group's key growth drivers in Europe.

« The launch of this new site in Rugby marks another major milestone in the development of our UK business. This investment reflects our continued growth, our commitment to customers and the outstanding work of our teams who are driving this momentum forward. Everyone at ID Logistics UK is excited about the opportunities that this new chapter in Rugby will bring. »,- **Stuart Evans, Managing Director, ID Logistics UK.**
